翻译

46. 有时虽然我们尽了最大的努力，但我们的绘画作品很少能像原计划的那样呈现。光线的变化，绘画材料的局限性以及经验和技术的缺乏意味着你刚开始尝试实现的目标可能不会以你期望的方式实现。尽管这可能令人沮丧和失望，但事实证明这实际上会对你有好处。这些意想不到的结果有两个好处：

你很快就学会了处理失望，并意识到当一扇门关闭时，另一扇门就会打开。你也很快学会适应并提出创造性的解决方案来解决绘画所展现出的问题，并且跳出思维定势进行思考将成为你的第二天性。事实上，创造性解决问题的技能在日常生活中非常有用。当问题出现时，通过这些技能，你更有可能找到解决方案。

作文

47.

Dear international students,

I'm writing to inform you of a food festival to be held in the days to come. The detailed arrangements are as follows.

The food festival will be held in the playground of our university on May 11th, 2022, and it will start at 10: 00 am, and end at 2: 00 pm. You are advised to bring some delicious food from your countries. You can sell the food at the price you and the buyers can accept. This food festival aims at promoting the cultural exchange by communicating food culture with each other.

I really hope that all of you can take part in the event.

Yours sincerely,

Li Ming

48.

The bar chart gives information about the express delivery volume in China from 2018 to 2020. As is accurately demonstrated in the chart, there exists obvious increase in terms of express delivery volume in China. To be exact, the general volume has increased from 51 billion to 83 billion during the past three years. Accordingly, the volume in rural areas has increased from 12 billion to 30 billion.

It is of no difficulty for us to come up with some possible factors for this trend. To begin with, with the rapid development of the Internet and the e-commerce, an increasing number of people like to shop online, so express industry has made astounding advances. What's more, compared with shopping in physical shops, there are more advantages of shopping online, such as the lower price and more choices, attracting more and more people in rural areas where the transportation is not so convenient to purchase their daily necessities and new high-tech products online, which leads to the rapid increase in the express delivery volume in the rural areas.

From the above discussion, we may come to the conclusion that the express delivery would become increasingly popular among people and this trend will certainly maintain for quite a while in the years ahead.
